## NON COMPULSORY COMPETITIONS

### PHOTOGENIC

Do you have a face that the camera loves? Do you love having your picture taken? Then the Photogenic Contest is your chance to show the world what you've got!

The winners of the Photogenic Competition will be selected from photo(s) brought to Pageant Registration. You may enter one, two, three, or four photos, with each photo providing another opportunity to win! Each photo is a separate entry and will be R250 each or R200 if 3 or more photos are entered. The photo(s) may be either colour or black and white; both do equally well and must be printed in gloss. You may not submit photos larger than an A4 page. Head shots generally work best. Makeup is allowed but must be age-appropriate. The photos will be handed back to you following your Interview Competition. Photos must be

submitted at your Pageant Registration. **Do not mail them.** You may submit up to **four** photos total.

Photographs to Pageant Registration with your first and last name and age category neatly printed on the back of each picture.

#### *Helpful Hints:*

Try to select photo(s) that show a happy smile and reflect a positive personality.

The appearance of makeup in the photo should be appropriate for your age.

If you are having trouble selecting one photo from several, show them to a few people who do not know you; ask each person to rank the photos from their most favorite on down. This will help you select the photo(s) to enter.

You may enter any size photo as long as it is not larger than an A4, but the picture should not be so small that your face is difficult to see.

Bottom Line: You want to achieve “Personality in a Picture.”

Pictures that convey excitement or emotion often do well.

## **SPOKES MODEL**

Age-appropriate makeup is allowed in all age divisions for this optional competition.

The Junior and Senior contestant with the highest score for this optional competition will say their Spokes model Speech at the Red Carpet Grand Finale.

Wow! Have you ever dreamed of being a model? Or perhaps being a news anchor or a leader in your school? A naturally confident smile and spoke delivery will combine to bring you success in this exciting contest, which was designed for us by a panel of journalist, queens, and successful models! The new titleholders will soon be Spokes model and Ambassador for Miss Global Princess South Africa.

Attire: Follow the “Junior interview Outfit” rules provided for the required interview competition. This will be applicable for Juniors and Seniors. This means a solid coloured Jumpsuit, Dress, Jacket and pants etc. No patterned outfits and minimal jewellery and age appropriate make up and shoes.

Rules: The maximum time limit for your speech is 1 minute (60 seconds), which is ample time to deliver a speech of approximately 100 to 150 words. Since the limit is one of time,

not words, your entry can be shorter or longer than 100 to 150 words, as long as you do not exceed 1 minute. Your time will begin when you arrive at the podium and begin speaking. Your time will end when you are finished speaking at the end of 1 minute, whichever occurs first. It is best to prepare your speech on white cardboard cards should you need to refer back to them. Please don't read your speech, it must be mostly memorized. In composing your speech, you may recruit any help that you wish but be sure to use your own words!

Some topics that you may use but feel free to choose a topic of your own choice that you feel strongly about

- You may speak about your “platform” or a topic that you are passionate about.
- “My most admired woman” or “My favourite South African” (other than a family member)

## TALENT

This is an exciting competition that can be entered if you have a special talent that you would like to showcase. It is limited to one entry only. At Miss Global Princess we encourage our finalists to embrace their talents and by doing so, enriching themselves by improving self-esteem and communication skills. These talents can include dance, singing, acting or playing an instrument.

This year, we will judge our talent competition online and all talent videos must be sent in before the 15<sup>th</sup> of April 2023. All divisions, dancing, singing, acting and instrumental will be allowed 90 seconds only and should the video be longer than 90 seconds, please note that only the first 90 seconds will be judged. Please record your talent in an appropriate attire and space, i.e. dancers should try and use a dance studio, singers a microphone and instrumental and acting should have a plain background and not wear distracting clothing. Plain black is always a winner. Please use appropriate lighting for your performances.

## SOCIAL MEDIA

The best Social Media Award will go towards finalists who have posted, shared Miss Global Princess's posts, and created her own content and posted it on Social Media starting from the finalist announcements right up to the pageant, also those posting Miss Global Princess Attire during finals. We are looking at Social Media platforms including Facebook and Instagram. Please remember to tag @missglobalprincesssouthafrica when you do a post.

### *Helpful Hints:*

When posting on Social Media, it would be advisable to do all posts in a black plain T Shirt free from any branding and Miss Global Princess Finalist Sash. Miss Global Princess T Shirts will be handed out at the Pageant. Additional Miss Global Princess T shirts can be ordered at an additional cost of R300 excluding postage if you prefer. You can post about what the pageant means to you, what it will mean to you if you win, what you look most forward to at the pageant etc. You can also post live videos about any community work that you are doing, again with your Miss Global Princess Sash on. Just about anything. Please make sure that your audio is clear and you don't add loud background music over your video. Age appropriate make-up is advisable.

Please don't hesitate to contact us should you have any questions or if anything is unclear.
